This is a free demonstration class. Parents will be learning the art of Infant Massage and be guided through instruction on how to massage their own baby. **All ages welcome.**

Participants of the Parent Infant Massage Program will be observing and participating in student teaching only.

Bring a soft comfortable blanket to lay your baby on, extra cloth diapers or small towel and normal baby gear, like a special toy. Stimulated babies can get hungry, so be prepared to feed. Dress baby in easy to remove clothing to massage. We will be sitting on the floor so you may want to bring a pillow to sit on and an extra blanket. We thank you for participating in this program. Please contact us to reserve your place!
